

Sometimes fantasies come true. And then you have to fight for them. Kat Walker is just a lowly analyst, content to produce spreadsheets and charts for Ermine Navigations finance department. Shy and awkward with a full, curvy body, she's been hurt too many times to believe that dreams can come true. Brett Carmack is Ermine's billionaire CEO and founder. Despite his calm, confident manner, the former fighter pilot is utterly unprepared for the subtle backstabbing of the corporate world. When Kat's analysis hints at a plot to plunder the company's assets, she draws Brett's attention in more ways than one. Things heat up as Brett and Kat surrender to their mutual attraction and take a wild risk that could mean the end of her career... and his company.
