Demons in Exile, Book One. \*\*\*Shifters at War!\*\*\* One woman caught in a war between worlds and torn between the love of two men--an immortal Coyote shifter and a mortal shapeshifter with a rare inherited trait allowing him to shift into other animal forms like a mountain lion or bear shifter. Dante Akanto lures research scientist Amy Weston into the desert to explore the dark side of her passions, pleasuring her in erotic ways she never thought possible with his bizarre sex games. And park ranger Jake Montag has a compelling mysticism and powerful sensuality that's HOT and impossible to resist. But the two men, demon and shapeshifter, are engaged in a supernatural fight between worlds. Amy and her high level of life force energy is the key. Dante's world and his immortality depend on claiming her as his own. The choice Amy makes between the two men will affect both her world and her future. Reader Advisory: Contains scorching scenes of bondage. Reader Warning: This book contains lots of scorching sex scenes with some BDSM elements and group sex. If that offends you, then this book isn't for you. However, if you like raw, hot sex with immortal shapeshifters this might be the book for you!
