

The Peace River Guardians and their new mate, January, face many changes as events push them from the isolation of Peace River and into the urban jungles of the world. Beck struggles to balance his animal attraction to January with governing his pack. January faces grief and change as her connections with Cross and Jared grow, and she begins to doubt Smoke will ever see her as anything more than his enemy. ~*~This 16,000-word installment in the serial novel DESIRED BY THE PACK, a paranormal romance that follows the complex relationship between January Cabot and the Peace River Guardians werewolf pack. Please note: love scenes are fully realized and at times include explicit language. Some love scenes in the series also feature multiple partners in their human and wolf forms. Intended for readers 18+. Parts 1 through 4 are currently available.~*~
