

Bored bank teller Jessie Ferris is done with men. Her last boyfriend ran up her credit cards and ran over her cat. The last thing she expects is for the gorgeous man who haunts her dreams to show up at the bank. Ameer is king of the desert planet of Uthar. He is a Lord of Astria, a sexy warrior guardian of the galaxy and defender of Earth. He claims Jessie is his destined soulmate and will be his queen. Even as the Dark Nebulans threaten to enslave the human race, Ameer will do anything to keep Jessie safe. He would give up his one chance at love and even his life for her happiness. This is a fun and quick romantic short read.
