In fact, soon after she and Mark are settled into the farmhouse which Mark is renovating, shes visited by three FBI agents who question her about the two children who mysteriously appeared one day at the Ranch. Before the agents leave, they warn Sadie that her beloved horse, Paris, is highly valuable, and that she and Mark may be in grave danger because of Paris. ^ ^ ^ ^ ^ ^ ^ ^ ^ ^ This news, on top of Marks unexpected black moods, leaves Sadie sometimes wishing she could go home, lay her head on Mams shoulder, and ask why she hadnt warned her. But when Sadie is kidnapped at gunpoint by two men in ski masks, her stubborn strength is tested beyond her imagining. Mark disappears emotionally without warning. Now Sadie has disappeared, leaving Mark and her family wracked with worry. And Anna, Sadies youngest sister, desperate for Neil Hershbergers attention, refuses to eat, plagued by an eating disorder as she fades away. And yet, Marks younger brother Timothy appears, bringing unexpected life and hope to the family. Mercifully, healing and courage reappear in unexpected times and places in this concluding volume of the Sadies Montana series. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
