

For more than 25 years Peter Kennard, a polemic artist, has produced a collection of political photomontage images and installation works. This book traces Peter Kennard's artistic, political and personal development, from his early paintings in a coalshed, to art school and to a number of left-wing and radical campaigns. The art and comments of this text combine to produce a portrait of British society and Kennard himself.

Paying the Ferryman, The Joy of Swift: How to program iOS applications using Apple Swift even if you've never programmed before, The Sundance Kid: A Biography of Robert Redford, The Infants Delight: Poetry, Buddhism: The Secret Starting Guide to Buddhism.
