

What if the thoughts in your head were not your own? When Lieutenant Asher Benson suffered a traumatic brain injury while stationed in Iraq, his doctors warned him that the symptoms would be life altering. They had no idea. As Ash recovered, a never ending barrage of voices began echoing in his mind, effectively crippling his life. Mistakenly treated for PTSD, Ash was honorably discharged and now lives in self-imposed, drunken isolation. Five years later, Ash is still struggling to rejoin society. His desperate, lonely existence is maintained by a meager disability check and gallons of alcohol. As he finally learning to control his burden, and making progress with the girl next door, Ash is thrust back into a life he thought he left behind. When unidentified intelligence agents abduct him from his apartment, he is plunged into a world of espionage and assassinations. A unique terrorist is operating on U.S. soil, and the government needs Ash, and the malady that has plagued him for half a decade, to find him.
