

El mito de Sisifo es un ensayo filosofico de Albert Camus, originalmente publicado en frances en 1942 como Le Mythe de Sisyphe. El ensayo se abre con la siguiente cita de Pindaro: No te afanes, alma mia, por una vida inmortal, pero agota el ambito de lo posible. El titulo del ensayo proviene de un atribulado personaje de la mitologia griega. En el, Camus discute la cuestion del suicidio y el valor de la vida, presentando el mito de Sisifo como metafora del esfuerzo inutil e incesante del hombre.
