

El libro de Ester contiene un mensaje asombrosamente relevante para el mundo de hoy. Marginado históricamente a causa de las dificultades que presenta para el lector cristiano, entre ellas la ausencia de toda mención a Dios, Ester plantea, a través de un estilo narrativo, rico y sugerente, temas de gran actualidad: la relación entre el hombre y la mujer, la lucha por el poder, los reinos de este mundo en medio del devenir de la historia y la ausencia de Dios en una sociedad secular. Ahora bien, el indiscutible talento narrativo del autor de Ester, más propio de la ficción novelesca, no empaña su inmenso valor testimonial por la luz que arroja sobre diversos aspectos del imperio persa bajo Asuero.
