

Jeff Powell wants nothing more than to leave his adventures behind him, but he owes a debt and the Sisters intend to collect, no matter the cost. Stealing Cassie in exchange for Jeff's returned imagination, he and Venn are enlisted to save Andvell from destruction. With Brady's mind being taken over by Talfyr's, Jasmine unwell, and Jayden brooding over his broken heart, Jeff must rely on the strength of their friendship to find Cassie and save multiple worlds from being torn apart by growing rifts in the Veil. As the doorway between worlds closes, Jeff needs to choose which side he'll end up on, and what he's willing to give up before the end.
