

Whether you have one or are thinking of buying one, slow cookers (also known as crock-pots) are known more by the space they take up in people's cabinets than their actual use. Slow cookers have been around for a while and although there's many uses for them, people tend to think of them as space takers more than slow cookers. Generally you can use a slow cooker to cook different cuts of meat, stews, soups, and vegetables, but if used properly, your menu is only as limited as your mind is. That's why the cookbook Every Day Slow Cooker Recipes is here. We help you open your eyes to the kinds of recipes you can make with your slow cooker for breakfast, lunch, dinner, and more. Not only can you use your crock pot more, you can have your dinner ready by the time you get back from work! And remember, leave a review and let us know how we can improve our books one by one.

Texas Heat, Things Do Change, Shots for lower scoring: How to play the trickier shots (Play better golf), Horngrens Financial & Managerial Accounting, The Managerial Chapters (5th Edition), Something Happened, 101 Vegetarian & Vegan Italian Recipes for Busy Moms: Vegetarian & Vegan Italian Food Recipes for a Healthier Lifestyle, Wiley CPA Examination Review Practice Software 14.0 Auditing and Attestation,
