

The Internet is a great tool for communicating, gaining knowledge, and sharing media online. This book will help readers learn about different kinds of media and the digital tools they can use to share their media online. Safe use of digital tools is highlighted, as well as how to use good judgment when sharing. Clear visuals are paired with informational text to help readers gain an understanding of online collaboration and social media. Supplemental websites guide readers in further exploration. This book also includes a glossary, table of contents, and index for extra guidance.
