

Fearless Critic Blind Wine Tasting Set: Includes four ISO-Certified Wine Tasting Glasses 12cl, 50 Blind Wine Tasting Forms, and a copy of The Wine Trials: A Blind Tasting Manifesto

The Fearless Critic Blind Wine Tasting Set includes everything you need to see through the pseudoscience and snobbery of wine experts and learn your own palate. This elegantly packaged box set, a perfect gift for any wine lover, includes four 155mm, 12cl ISO-standard glasses—the same ones used in blind tasting competitions by wine judges around the world—along with a set of 50 tasting forms, and a copy of a special edition of Robin Goldsteins provocative The Wine Trials, which turned the wine world upside down by proving that even wine experts couldnt distinguish cheap wines from expensive wines when the labels were concealed. Blind Taste will teach you how to taste wine, and why you should trust your own palate instead of following the opinions of wine experts, and the Blind Wine Tasting Set provides all the tools you need to put the books premises to the test, challenge the opinions of experts, and investigate your own tastes in a rigorous, scientific way.
