

Book 1 - Fifty Shades of Jungle Fever Book 2 - Exit Strategy Book 3 - Christmas with the White Brothers (a Novella) Book 4 - The Venture Capitalist (50SoJF from Tristans POV) FIFTY SHADES OF GREY to the second power meets Keisha and Jada from the Block. Aspiring recording studio owners, Keisha Beale and Jada Jameson, score a rare meeting with venture capitalist Tristan White, and are thrust into a world beyond their wildest imaginations. Lured by Tristan White and his offer of fronting the capital for her business in exchange for an indecent proposal, of sorts, Keisha finds herself with no other option. Tortured by demons from her past, Keisha's inability to come to terms with them threatens to undermine the future of her business and her tumultuous, unconventional relationship with Tristan White. Erotic, amusing, and in places hilarious, the Ghetto Girl Romance Quadrilogy is a parody with a unique take on a Fifty Shades-type story that will take you even further into the BDSM world, and promises to make the vanilla original Fifty Shades more colorful. The first two books focus on Keisha and Tristan's romance, and the final two will focus on Jada and Nathans.
