

The legendary 4472 - better known as the Flying Scotsman - receives the famous Haynes Manual treatment with the full co-operation of the National Railway Museum. Here is a unique perspective on what is involved in maintaining, operating and restoring this Class A3 Pacific, the first steam locomotive to achieve 100mph. This highly detailed manual, based around 4472's recent overhaul and subsequent return to main-line operation, also looks in detail at every aspect of its engineering and construction, providing a feast of information and insight.
