

What happens when the glass slippers pinch Cinderella's toes? When Jaane Andersen proposes a new marketing role to the local amusement park, general manager Dylan Callahan charms her into filling Cinderella's glass slippers for the summer. Her reign transforms Jaane's ordinary life into chaos that would bewilder a fairy godmother. Secretly dating her bad boy boss, running wedding errands for her ungrateful sisters, and defending herself from the park's resident villain means Jaane needs lots more than a comfy pair of shoes to restore order in her kingdom. First in the Storybook Valley series, a blend of sweet romance, chick lit, and fairy tale fun.
