

From USA TODAY Bestselling Author Nora Flite-- the second book in Beyond Blood, a multi-part series: I shouldn't have let them kiss me! Marina: When I'm near Kite and Jacob, the world shrinks. I ache for their skilled hands and warm tongues. I should be thinking about my revenge, but it's so hard to focus. This is true addiction. I can't pick a favorite, I want them both. Maybe I don't have to choose. Pressed between two seductive men, lost in bliss, everything feels so amazing. Perfect. Too bad I know it won't last. I've figured out their plan. Death is waiting for me at the end of this. Being brave used to be easy. I had nothing left to lose. Why did they have to go and change that? Authors Note-- Cliffhanger ahead! The final book will be released soon. This is NOT a Love Triangle! The second book in the Beyond Blood Series Approximately 190 pages
