

Chosen by FreshFiction.com as their Fresh Pick for October 22, 2013 Kat Bastions award-winning debut in the Highland Legends Series: Isobel MacInnes wakes up in present-day California, lunches in medieval Scotland, and by ten days end, falls in love with a man and his country, only to lose them in a heart-wrenching twist of fate. Found in the arms of her second soul mate. Forced to balance the delicate strands of time between two millennia. Shocked by revelations rewriting the very foundations of history of everything. Isobel, a rising-star archaeology student, is dropped into two ancient worlds without warning or her permission. Her fiery spirit resists the dependency thrust upon her. Amid frustration at her lack of control, she helplessly falls in love. Twice. She struggles to adjust to the unimaginable demands of two leaders of men--a laird in the thirteenth-century Highlands and a Pict chieftain in a more ancient Scotland. Isobel transforms from an academic, hell-bent on obtaining archaeological recognition, to a woman striving to care for those she loves, and ultimately into a fearless warrior risking everything to protect them. *** PLEASE NOTE ***Scorching (explicit) sex scenes.Fire extinguisher highly recommended.
