

When your mind is a weapon, freedom comes at a price. Four months have passed since Kira left home to join Julians Jacker Freedom Alliance, but the hole in her heart still whistles empty where her boyfriend Raf used to be. She fills it with weapons training, JFA patrols, and an obsessive hunt for FBI agent Kestrel, ignoring Julians worries about her safety and repeated attempts to recruit her for his revolutionary chat-casts. When anti-jacker politician Vellus surrounds Jackertown with the National Guard, Kira discovers theres more to Julians concerns than she knew, but shes forced to take on a mission that neither want and that might be her last: assassinating Senator Vellus before he can snuff out Julians revolution and the jackers shes come to love. Free Souls is the third novel in the Mindjack Saga, a young adult science fiction series.
