

When Dave wakes up on the floor of a lingerie shop, naked and in the body of hot young bimbo, he has no idea what the hell is going on. Other than his body is super hot and he has trouble keeping his own hands of it, that is. After stopping briefly to try on a few outfits, hes about to leave when hes confronted by his alpha male co-worker, Randy. Randy threatens to call the cops unless Dave can convince him otherwise. And there are a lot of ways Daves new body can be convincing... Daves new, untouched pussy is going to get pounded before the night is over. Hard, fast and without protection! But the night has just begun, and its just full of surprises...
