

This series, recorded live at the Fundamentals of Spiritual Alchemy Seminar in Miami, Florida, in June 2000, focuses on identifying the influences in our lives that keep us from making changes, and understanding the wisdom that the ancients of the Mystery Schools of the Middle Ages had ... teaching the insight necessary to begin changing lead issues to gold (changing the bad in our lives to good). Dr. Myss delves into this rich field of inquiry by describing how you can begin to become a Spiritual Alchemist -- being able to change the way you look at yourself and your contract through the eastern mystery school and the Chakra system -- universal patterns of consciousness which influence your psychological spiritual development. She illustrates the alchemical concepts present in the story of The Wizard of Oz.
