

And ye shall eat the flesh of your sons, and the flesh of your daughters shall ye eat. - Leviticus 26:29 When two cannibalistic, gravely-wounded men stagger into the town of Gehenna all Hell breaks loose. Infamous outlaw Mad Dog McCall, stuck in the city jail, must fight for his life to escape. The lonely, intelligent, and snarky Karen must make horrific sacrifices to survive the night against the growing army of the dead. Together they set upon a journey of biblical proportions, fighting against the living and the infected, hoping against hope to find a safe haven in the middle of Hell. The Old West cant fathom the zombie hoard that is about to consume it. --Lisa Binion - BellaOnline Besides taking place in the old west, there is also a biblical twist added to the story...it will make you view zombies just a bit differently. The twists and turns in the plot make you not want to put the book down. The action pretty much never quits. If you are a fan of zombie fiction, this a book that you really want to read.
