

In this extensive biography, Michael Phillips paints a revealing portrait of George MacDonald. Phillips uses the facts of MacDonald's life to shape a picture of the man, set against the Scottish land he loved. Looking at both his strengths and shortcomings, Phillips does not shy away from the issues that made MacDonald a controversial figure during his life and beyond. Previously out of print, this work will be welcomed by all who have come to love the Scottish storyteller's novels and his view of God as Father.
