

Eve, a runaway, finds a new job at a coffee shop on the outskirts of Tuscon. When shes approached by two wealthy teens who claim she bears an uncanny resemblance to their missing cousin Aurora, her life takes a turn for the dark and mysterious. Drawn into a scheme to win Auroras inheritance, Eve finds herself impersonating the girl, who disappeared three years ago on the night her best friend Elizabeth died. But when Lizas ghost begins to haunt Eve, doing harm to the people close to her under the guise of protecting her, Eve finds herself in a nightmare maze of lies and deception that leads her to question even her own identity. She realizes her only chance is to uncover the truth about what happened the night Liza died, and to find Lizas killer - before shes next. This teen thriller by Michele Jaffe will keep readers turning pages well into the night.

Thanksgiving Day Recipes: Holiday Classics For Entrees, Side Dishes, Beverages, Breads & Desserts, IEC 60377-2 Ed. 1.0 b:1977, Methods for the determination of the dielectric properties of insulating materials at frequencies above 300 MHz.
