

For those of you who came late to the party, this five-book collection from the Ghost Sniper Series will save you a buck or two off the original editions. In this round-up based on actual events Marine sniper Harry Landon goes up against an extra deadly Vietcong sniper that nobody sees or can find. After Harry knows he has finished him, the Ghost reappears killing others and again Harry is baffled until he sets his own bizarre trap. But can you really ever kill a ghost? Join Harry on his slow all night crawl under searchlights through an army of foot soldiers, guard dogs and biting bugs that will give you the willies. As will his midnight nightmare tied to a torture rack while a crazed tattooed woman with a sharp knife wants to carve him up. And be there when he confronts the Ghost Sniper looking for revenge and everyone gets the shock of a surprise ending. To be on the safe side with this high-tension series wear your flak jacket and tighten your safety belt because readers say these characters can kick-start your adrenal glands faster than the strike of a bamboo viper.
