While she has sworn off men, Danielle secretly retains her romantic ideals about love and marriage. HARRISON TOWERS, an enigmatic mega mogul, however, has turned his own romantic loss into a coldly cynical attitude about relationships and women. This sexual master has vowed to keep his relationships strictly physical with no strings attached. As they embark on an intensely erotic and passionate, no-strings attached relationship, Danielle soon discovers that being in Harrison's world is not all glamour when power, lust, money, greed and danger present themselves at every angle and threatens to tear them apart. Book 2: Danielle struggles to pick up the pieces of her shattered life after her steamy affair with the enigmatic mogul comes to a screeching halt. She chastises herself for letting her guard down and tries to suppress her feelings for the man who possessed her body and stole her heart. Making matters worse, Danielle finds herself the victim of a mysterious stalker, who seems to know her every move. Caught in a tangled web of danger, money and power, Danielle begins to despair, as escape seems impossible. Will their connection be strong enough to see them through the journey on which fate has set them, or will meddling forces come between them? Book 3: The chemistry between them is undeniable. He captivated her from the first moment she laid eyes on him. While fate brought the small-town interior designer, Danielle Austen, and the sexy mogul, Harrison Towers, together, their pasts continue to threaten their future together. Their passion fuels their fire, while the couple continues to overcome the hurdles between them. Danielle has finally broken through Harrison's aloof, controlling exterior. However, his devious, jilted ex-lover, Marion Devereaux, continues to threaten Danielle's safety and seems to have help from someone close to Danielle. Will Harrison and Danielle be able to face these challenges together? Will their love be enough to conquer Marion's evil plots? Will they get their storybook ending, or will Marion have her revenge?
