

In Flip Melliss recent past he had, by his own assessment, his feet planted squarely on terra firma. As a husband and father he was a consistent breadwinner. As a business professional, he was a go-getter. For twenty years he did all that was expected of him, if not much more. But a job loss in his middle years, in the midst of a national economic crisis, knocked Flip squarely on his big, soft ass where he has been wallowing for nearly a year. Over the course of one hectic week, replete with a cast of colourful characters, Flip is forced by circumstances of his own invention to finally get his life headed in the right direction. Like a pudgy, irritable toddler he carefully tests his balance and lurches forward, stumbling around absurd obstacles and grasping for any solid purchase. Good For Nothing is told with dark and sometimes macbre tone that is lifted by its fast pace and quick verbal wit. Ultimately a spark of human resilience locked deep within the core of this deeply flawed protagonist begins to spread. The question becomes: will Flips best efforts be enough to lead him safely to redemption or will they merely lead to a futile, purely graceless and quixotic crash.
