

Growing Up Country: Memories of an Iowa Farm Girl delivers a treat as delicious as oatmeal cookies hot out of the oven - a memoir of a happy childhood. In charming and memorable vignettes, Carol Bodensteiner captures rural life in middle America, in the middle of the 20th Century. Bodensteiner grew up on a family-owned dairy farm in the 1950s, a time when a family could make a good living on 180 acres. In these pages you can step back and relish a time simple but not easy, a time innocent yet challenging. If you grew up in rural America, these stories will trigger your memories and your senses, releasing a wealth of stories of your own. If the rural Midwest is foreign territory to you, Carol's stories will invite you into a fascinating and disappearing world.
