

Written for her daughters Whitney and Madi Jo, Growing With Grace is a mother's loving guidance for teenagers everywhere. In today's world, teens are plagued with choices and difficult decisions, as well as encountering new and unique challenges in society, from underage drinking to online associations. The choices they make today will greatly affect their future. In her book, Suzonne Underwood discusses those choices with her children and talks to them about tragedies and triumph, while sharing with them the principles that build strong character and self respect. In Growing With Grace, Suzonne shows teens and young adults how to say no to risky behaviors, while mentoring them on how to live a rewarding and righteous life. It's a must read for teens and parents alike! This second edition includes a guest chapter in memory of Leigh Ann Carlton.
