

This comprehensive resource covers both undergraduate and graduate teaching and education programs in Canada. Two-page profiles highlight each program's unique features and strengths, admission requirements, expenses and more. The guide covers a complete range of education disciplines from teaching to educational psychology. It also contains a list of over 30 additional teaching and education programs in Canada. Expert articles contributed by the Canadian Association for Deans of Education provide insights on trends in Canadian education and careers in education. Plus, tips on admissions and choosing a program help to answer every student's questions.
