

Gullivers Travels, officially Travels into Several Remote Nations of the World, in Four Parts. By Lemuel Gulliver, First a Surgeon, and then a Captain of several Ships is a novel by Irish writer and clergyman Jonathan Swift. The book presents itself as a simple travellers narrative with the disingenuous title Travels into Several Remote Nations of the World, its authorship assigned only to Lemuel Gulliver, first a surgeon, then a captain of several ships. The book contains illustrations and maps.
