

George Washington Hayduke III was last seen clinging to a rock face in the wilds of Utah as an armed posse hunted him down for his eco-radicalist crimes. Now he is back with a fiery need for vengeance. In this sequel to the enormously popular and entertaining *The Monkey Wrench Gang*, Hayduke teams up with his old pals Doc Sarvis, Seldom Seen Smith, and Bonnie Abbzug in a battle against the world's biggest earth-moving machine. Fundamentalist preacher Dudley Love, the mastermind behind G O L I A T H, wants to turn the Grand Canyon into a uranium mine, but not if eco-warrior Hayduke and his group of committed environmentalist friends have anything to say about it. *Hayduke Lives!* is full of noisy politics and seemingly improbable situations (yet all too real) that showcase Abbey's energetic prose and his infectious comic genius as a writer. **ABOUT THE AUTHOR** Edward Abbey was born in Home, Pennsylvania in 1927. In 1944, at the age of 17, Abbey set out to explore the American Southwest, bumming around the country by hitchhiking and hopping freight trains. It was during this time that Abbey developed a love of the desert, which would shape his life and his art for the next forty years. After a brief stint in the military, Abbey completed his education at the University of New Mexico and later, at the University of Edinburgh. He took employment as a park ranger and fire lookout at several different National Parks throughout his life, experiences from which he drew for his many books. Abbey died at his home in Oracle, Arizona in 1989.
