

The growth in local television and radio broadcasting in recent years has meant that more and more people have found themselves called upon to act as spokesmen, or to give interviews. This book offers an introduction to the skills needed and the techniques used to create more interesting and newsworthy interviews, and to present a positive contribution rather than merely a reaction. The introduction of cable television on a wide scale makes these topics even more important.

Little Novels, Pulse - Complete Series, Review for Clep* General Humanities Examination: Complete Review for the New Examination, Basics Of Compiler Design, Orogeny (Benchmark papers in geology), Worms (Creepy Critters), The Silk Roads: A New History of the World, The Legends of Charlemagne [Epic Audio Collection],
