

Heroes of Hope is a detailed sourcebook and provides background on these heroes and guidelines for using their powers in the DRAGONLANCE: FIFTH AGE setting. Chapters cover: • Roles for playing Rose Knights, centaur shapechangers, Knights of the Skull, dwarven earth mystics, mystics of the Citadel of Light, shamans, and more. • Background on the most important mystic orders in Ansalon today. • Overviews of some of Ansalon's mystic lands, including Dimernesti, the magical realm of the sea elves. • Optional rules for casting spells that blend the magics of sorcery and mysticism. Heroes of Hope also features The Crown and the Serpent, an epic journey over land and sea to seek the Crown of Tides in a realm of aquatic elves. But in order to claim the crown, the heroes must first face Brine, the sea dragon lord of Dimernesti. A full-color illustrated poster map chronicles this quest, which parallels that of the heroes of the third FIFTH AGE novel, The Eve of the Maelstrom by Jean Rabe. This scenario is Part Four of the Dragons of a New Age cycle, but also is playable on its own.
