

Lady Gillian MacLennans clan needs a leader, but the last person on earth she wants as their laird is Fingal Maclan. She can neither forgive nor forget that his mother killed her father, and, by doing so, created Clan MacLennan's current desperate circumstances. King David knows a weak clan, without a laird, can change quickly from a simple annoyance to a dangerous liability, and he cannot ignore the turmoil. The MacIans owe him a great debt, so when he makes Fingal MacIans laird of clan MacLennan and requires that he marry Lady Gillian, Fingal is in no position to refuse. In spite of the challenge, Fingal is confident he can rebuild her clan, ease her heartache and win her affection. However, just as love awakens, the power struggle takes a deadly turn. Can he protect her from the unknown long enough to uncover the plot against them? Or will all be lost, destroying the happiness they seek in each other's arms? Highland Courage is a romance about a married couple and thus contains several mildly explicit love scenes, as one might expect to occur in married life. If you want more steam than that, you might be disappointed. If you prefer to stay out of the bedroom this title is available in an Inspirational version.
