

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.   
 For courses in Human Physiology This package includes MasteringA&P® An Integrated Science Needs an Integrated Approach Human Physiology: An Integrated Approach broke ground with its thorough coverage of molecular physiology seamlessly integrated into a traditional homeostasis-based systems approach. The newly revised Seventh Edition includes new Phys in Action! Video Tutors that are accessible from the text and a wide range of engaging activities in MasteringA&P that are designed to bring the textbook to life, including new Interactive Physiology 2.0 Coaching Activities, Phys in Action! Coaching Activities, and Dynamic Study Modules.   
 Personalize Learning with MasteringA&P MasteringA&P is an online homework, tutorial, and assessment program designed to work with Human Physiology: An Integrated Approach to engage students and improve results. Within its structured environment, students receive hints and wrong-answer feedback to practice what they learn, test their understanding, help them better absorb course material, and grasp difficult concepts.
