

This Mini Missing Manual takes you down the virtual rows of Apples iBookstore, to help you find, buy, and download books and subscribe to magazine and newspapers on your iPad. You'll learn how to navigate your books and periodicals and sync them back to iTunes to swap them on and off your iPad to free up storage space. In addition, you'll find out where to get free books in the iBookstore, and where you can shop for iPad-compatible books, both free and for-pay, outside of Apples domain. Finally, you'll learn the fine art of eBook navigation, including how to change a books font and font size, add bookmarks, highlight special passages, dynamically look up words in the dictionary, and search through your iBooks. This Mini Missing Manual is excerpted from the book iPad: The Missing Manual.

COBOL and Visual Basic on .NET: A Guide for the Reformed Mainframe Programmer, Force Decisions: A Citizens Guide to Understanding How Police Determine Appropriate Use of Force, The Penny: A Novel, Australia & New Zealand 95: The Complete Guide with Outback Tours and Barrier Reef Resorts (Gold Guides), Digging Up Paradise: Potatoes, People and Poetry in the Garden of England, Little Britches Reading Time Book: The Special Pie and a Bonus Reading Time Story, Space Mission Analysis and Design (Space Technology Library), The Complete Works of William Shakespeare: King Henry IV, Part 1. King Henry IV, Part 2 - Primary Source Edition (Hebrew Edition),
