

More than just a sparring partnerâ€”Bella Fiore has a lot to prove. For three generations her family has dominated the world of mixed martial artsâ€”a tradition Bella dreams of carrying on. Her family, on the other hand, doesn't agree. Without their support, she's relying on the coaching of medal-winning Kyle Peters. Training with Kyle is not what Bella expects. They're constantly butting heads. And with the body of a Greek Adonis, Kyle's mat technique isn't her only focus. Not that this attraction can go any further. She has a title to win! Yet when Kyle proves Bella can always rely on him, a championship may not be the only thing worth fighting for.
