

Charlene needs a miracle. God has one waiting a hundred years in the past. A time travel romance with a Christian spin, In Time for Christmas -- a Novella, is the story of Charlene Williams, a woman trapped in a dangerously abusive marriage. Disappointed that God hasn't gotten her out of it, or hears her prayers at all, she has shut down emotionally. When husband Dale becomes suspicious of her daily chats with the mailman, he whisks her out of town and abandons her on his family's ranch an isolated, dilapidated place no one has lived on for over forty years. With the promise that he'll be back in a few days, he knocks her unconscious and leaves. Charlene wakes up on the ranch a hundred years in the past. Almost instantly she is drawn to Billy Page, Dale's great grandfather. The connection is powerful and mysterious, but should she risk falling in love with a ghost? What's going on here? Is Charlene dead, dreaming, in a coma, or simply experiencing a gift from her heavenly father? She'll learn one thing for certain: God is in control of the very fabric of time.
