

Management Interactive Text combines the thorough presentation of Richard Dafts Management 6th Edition, with rich multimedia, real-time updates, exercises, self-assessment tests, note-taking tools, and more. This combination of print and online material provides users with active learning tools and tutorials; helping instructors shorten preparation time and improve instruction. The Interactive Text offers a complete technology teaching solution that integrates all of the media together in one seamless package – no “assembly” is required. Management Interactive Text consists of two components: a Print Companion and a seamlessly integrated Online Companion, providing an easy-to-use teaching and learning experience. The Print Companion is a paperback textbook that includes the core content from Management 6th Edition. All time-sensitive pedagogical features and materials at the end of chapters have been moved from the printed textbook to the Online Companion. The Online Companion provides a dedicated Web site featuring all of the core content from the Print Companion combined with interactive learning resources, self-assessment tests, and note-taking features.
