

Alex Hunt is a respectable manager of a fashion outlet on business in London infatuated with a red dress. What Alex doesn't realise until after he's invited to the owner's room and drawn to a passionate embrace, is that he's had his eyes, hands and lips on another man. And he enjoyed it. By the end of the night, Alex will have found himself on his knees in submission to another man and guided gently into a whole new world of pleasure. None have ever made him feel as good as this effeminate, sexually talented prettyboy that stands over him is doing now. He could get used to enjoying such a delicious trap.
