

How can I describe this book to you, the reader, who is reading this right now? Are you curious by the title wondering or intrigued what the contents will be? I could describe this book to you as a masterpiece of my past 30 years of being a mother written straight from my heart to yours. I could describe it as a story full of drama of trials and tribulations of raising two daughters as a single parent and the fears of doing my "job as a mother well." I could say this book is my surrender to God after all these years and to finally understand the gifts given to me through raising my two daughters. Yes I could describe this book, "Into the Heart of a Mother," to you this way but I would rather you find out for yourself in your own unique way. There are truly no more words other than what I have written in this book to describe "Into the Heart of a Mother." Please take a look into this book and you tell me what your description would be.
