

Iran 1:1,500,000 Travel Map, waterproof, GPS-compatible, REISE, 2014 edition This map is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. It is double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. Topography is shown by altitude colouring with spot heights, mountain passes, and names of mountain ranges. Seasonal rivers and lakes, swamps, salt pans and oases are also marked. Internal administrative boundaries are shown with names of the provinces. Names of main cities are also given in the Arabic script, all other place names are shown only transliterated. Road network includes local roads, indicating driving distances on main routes and most secondary roads, locations of petrol stations and border crossings. Railways, local airfields and ports are marked. National parks and protected areas are highlighted. Symbols show locations of various places of interest, including UNESCO world heritage sites, archaeological remains, wells and water tanks, campsites and selected hotels, etc. Oil wells and oil and gas pipelines are marked. The map has a grid with latitude and longitude at intervals of 1° and an extensive index of localities with a separate list of national parks and reserves. Multilingual map legend includes English.
