

The award-winning author of *River in a Dry Land* explores the Nature that we “ and our religions “ sprang from The Genesis story of Jacob, the patriarch of the Judeo-Christian tradition, wrestling with a spirit has been interpreted in a multitude of ways, but never more persuasively than by Trevor Herriot in *Jacob’s Wound*. He sees it as a struggle between Jacob and his wilder twin brother, Esau, whose birthright Jacob has swindled. The central idea of Herriot’s brilliantly written, observant, and groundbreaking book is the wound that Jacob, the farmer, the civilized man, suffered in vanquishing Esau, the hunter, the primitive man. And the central question posed is whether we, as Jacob did with Esau, can eventually reconcile with the wildness we conquered and have been estranged from for so long. As if ambling through the author’s beloved Qu’Appelle Valley in Saskatchewan, *Jacob’s Wound* takes readers on an untrodden path through history, memoir, science, and theology. Along the way, Herriot tells us stories of the past and present that illuminate what we once were and what we have become. It’s a measured journey motivated by curiosity rather than by destination, and at every turn there is insight and beautiful writing. From the Hardcover edition.

The Pageants In The Quest Of The Holy Grail, Lady Eleanors Secret, Promises to Keep, El Manifiesto Comunista (Ilustrado) - Capitulo Tres: El Proletariado (Spanish Edition), Oxford Surveys in Evolutionary Biology: Volume 1: 1984, Avengers: Scarlet Witch by Dan Abnett & Andy Lanning, AAA Essential Barbados (AAA Essential Guides: Barbados),

Editorial Reviews. From Publishers Weekly. In a series of meditations on nature and wildness, religion and spirituality, sojourning and home, Herriot (*River in a Dry Land*) explores the Nature that we “ and our religions “ sprang from. The Genesis story of Jacob, the patriarch of the.

*Jacob's Wound* has 12 ratings and 0 reviews. “The prose of *Jacob's Wound* is smooth and burnished, with many poetic touches and images of.
