

They are the Others--the vampires, mages, and werewolves once thought to exist only in our imaginations. Now they're stepping out of the shadows, and nothing in our world will ever be the same again...**Hunted By The Others**In A Town Like This, Being A P.I. Can Be MurderShiarra Waynest's detective work was dangerous enough when her client base was strictly mortal. But ailing finances have forced her to accept a lucrative case that could save her firm--if it doesn't kill her first. Shiarra has signed on to work for a high-level mage to recover an ancient artifact owned by one of New York's most powerful vampires. As soon as Shiarra meets sexy, mesmerizing vamp Alec Royce, she knows her assignment is even more complicated than she thought. With a clandestine anti-Other group trying to recruit her, and magi being eliminated, Shiarra needs back-up and enlists her ex-boyfriend--a werewolf whose non-furry form is disarmingly appealing--and a nerdy mage with surprising talents. But it may not be enough. In a city where the undead roam, magic rules, and even the Others aren't always what they seem, Shiarra has just become the secret weapon in a battle between good and evil--whether she likes it or not... **Taken By The Others**Once, New York P.I. Shiarra Waynest's most pressing problem was keeping her agency afloat. Now she's dealing with two dangerous, seductive vampires who have been enemies for centuries. The only thing Max Carlyle and Alec Royce agree on is that they both want Shia--for very different reasons. Max is determined to destroy Shia for killing his progeny, while Royce's interest is a lot more personal. That's not sitting well with Shia's werewolf boyfriend, Chaz. As the feud between Max and Royce gets ever more deadly, a powerful vampire-hunting faction is urging Shia to join their side. Shia has always believed vamps were the bad guys, but she's discovering unexpected shades of grey that are about to redefine her friends, her loyalties--and even her desires...**Deceived By The Others**Shiarra's relationship with sexy werewolf Chaz may be somewhat unconventional. Still, after a few bumps, Shia is finally ready to get serious. That means meeting family--or in this case, bringing Chaz's entire werewolf pack along for a rollicking full-moon weekend in the Catskills. Soon after they arrive, threatening notes appear, warning Chaz to go home. Then their cabin is ransacked. Shia starts digging to find out whether it's the work of upstart teenaged werewolves or something more sinister. Yet as rumors about her vampire connections arouse the packs' hostility, Shia has to contend with other dangers. Not just from an adversary about to make his fatal intentions known, but from a threat that's even closer than she knows...**Stalking The Others** Once, she was one of the good guys--or as close as a New York P.I. can get. Then Shiarra Waynest was drawn into the world of the Others. Every faction has its own loyalties and agenda. And Shia's recent betrayal by her ex-boyfriend means that she may be on the verge of becoming a rogue werewolf at the next full moon...
