

A startling reconsideration of John F. Kennedy's record and achievements. John F. Kennedy is lionized by liberals. He inspired LBJ to push for landmark civil rights laws. His "New Frontier" promised new spending on education and medical care for the elderly. His champions insist he would have done great liberal things had he not been killed by Lee Harvey Oswald. But what if we judge him by the lengthy record of his actual political career, in historical perspective? What if this hero of liberals was, in fact, the opposite of a liberal? As Ira Stoll convincingly argues, by the standards of both his time and our own, John F. Kennedy was a conservative. His two great causes were anticommunism and economic growth. His tax cuts, which spurred one of the greatest economic booms in our history, were fiercely opposed by his more liberal advisers. He fought against unions. He pushed for free trade and a strong dollar. And above all, he pushed for a military buildup and an aggressive anticommunism around the world. Indeed, JFK had more in common with Ronald Reagan than with LBJ. Not every Republican is a true heir to Kennedy, but hardly any Democrats deserve that mantle. JFK, Conservative is sure to appeal to conservative readers and will force liberals to reconsider one of their icons.

Equity Investments, Venture Capital, and the Federal Role in the Availability of Financing for High-Technology Companies (Classic Reprint), For All Time: A Nantucket Brides Novel, Book 2, Contra Bush (Spanish Edition), A Road Called Love - Volume 4 - Thunder Road, Oriental Religions and Their Relation to Universal Religion: India V2, Marblestone Mansion, Book 4 (Scandalous Duchess Series), Le Monde Perdu (Les exploits du professeur Challenger 1), The Winning Of The West, Volume 1..., Love Burn 2, Dating Cary Grant,

Editorial Reviews. Review. "Insightful and well-researched This volume will appeal to akaiho.com: JFK, Conservative eBook: Ira Stoll: Kindle Store.

Fifty years after the assassination, the author of the new book JFK, Conservative explains how John Kennedy paved the way for. As the U.S. prepares to mourn President John F. Kennedy on the 50th anniversary of his assassination next month, it's worth pausing to.

But in JFK, Conservative, Ira Stoll, former managing editor of the New York Sun and current editor of akaiho.com, has managed. Nope, he would be considered a centrist today in the mold of Bill Clinton. Let's debunk a lot of reasons why JFK is ironically loved by conservatives these days. JFK, Conservative has 99 ratings and 18 reviews. Mark said: Ira Stoll's goal in this book is to argue that John F. Kennedy "long a liberal icon" was ac. Kennedy was arguably a moderate; his policies appeal to both conservatives and liberals.

Which side can most accurately claim John F. Kennedy's legacy -- liberals or conservatives? It's a question for the ages. Or, maybe the angels. November 22 will forever be etched into America's memory for the assassination of President John Fitzgerald Kennedy in Ever since his. The right's embrace of JFK is filled with historical flaws on taxes and abortion and ignores his real record.

John F Kennedy is a liberal icon, but conservatives increasingly want to claim some of his legacy for themselves. If JFK were here today, he would either have to renounce most of what what we think: The title of his new book "JFK, Conservative" says it all.
