

Christiana McKenzie, Chris to her friends, was at her wits end. She and her sister, Angel, were born witches. Their mother had warned them that to use their powers would bring on another witch hunt, and theyâ€™d risk being burned, just like their ancestors. Her sister didnâ€™t heed their motherâ€™s warning and now Angel was dead. Angel had lived long enough to tell Chris that sheâ€™d left something for her with a man by the name of Bentley, then she died. Chris had to track down this Bentley no matter the costâ€™. Joseph Bentley almost had everything finished: the house, the barnâ€everything. In a few weeks it would be finished and he would be able to move into the house and get the ranch going. But the progress wasnâ€™t going fast enough to suit him--he was lonely. Micah had come out to tell him that the sister of the girl that died to protect him was coming to see him, and he was hoping that the nightmares since the incident would stop. Micah wanted him to come out to the main house and be there when she arrived. But the limo delivered the woman to Joeyâ€™s house instead of Micahâ€™s. Joey couldnâ€™t believe it, the hostile woman was his mateâ€and more than he could have ever hoped forâ€™. Whether or not Chris wanted a mate or not was irrelevant, Joey wasnâ€™t letting her out of his sight. And when she found out that her mother had lied to her--she wasnâ€™t an ordinary witch--and that others would come to try to possess her. If they couldnâ€™t do that, then they would kill her to possess her powers--she needed help. The Bentleys ban together to save one of their own, but will it be enough? Can they even fight the powerful magic thatâ€™s targeting Chris and Joey?
