

A brand-new friend and a big class project put Judy in an international mood in this comical new adventure. Judy Moody cannot believe her ears. There at the lunch table, a girl called Amy Namey is interviewing Judy's best friends, Rocky and Frank. Even worse, Amy is dressed like Nellie Bly, daredevil woman reporter, much like Judy's emulation of a certain woman doctor. Is this clipboard-carrying girl destined to be Judy's new best enemy? Or new best friend? Judy Moody finds some unexpected potholes on the path to friendship as Class 3T takes a whirlwind tour of the globe, investigating everything from tooth-brushing sticks in Yemen to an Italian spider dance along the way. Fans will cheer as Judy finally masters the challenge of making new friends and keeping the old "€" for sure and absolute positivo!
