Before he introduced the world to butts gone berserk, Andy Griffiths unleashed the JUST books: outlandish collections of silly stories that turned him into a bestselling sensation. Now Andy brings his insane brand of humor to this side of the Pacific -- and American readers won't believe what they've been missing! Ever skipped out on school by pretending you're dead? Ever convinced a friend that they're invisible? Ever been stuck in a gorilla suit and nearly put in a zoo? Andy has. In JUST KIDDING, join this joker as he attempts some of the best -- and worst -- practical jokes in history!
