

Well known in its previous form by many generations of dental undergraduates, this new edition of Paediatric Operative Dentistry has been completely updated and revised to take into account the many improvements that have occurred over the past few years. The addition of two new authors has brought enhanced expertise and experience in clinical paediatric dentistry, and the information and advice given in the text is based upon their extensive clinical practice. The aim throughout the book is to give guidance on quality restorative care for children and the extent of this new edition has increased accordingly. There are now twenty chapters giving extensive coverage of the subject in line with current thought and practice. Kennedys Paediatric Operative Dentistry 4th edition should continue to be an essential purchase for every dental undergraduate. Postgraduate trainees and general dental practitioners will also find this an extremely useful addition to their bookshelf.

The Politics of Childrens Rights (Undercurrents), Select Works Of Porphyry: Containing His Four Books On Abstinence From Animal Food, His Treatise On The Homeric Cave Of The Nymphs (1823), The Best of Sainsburys Quick Cooking, Faust: Part I, Freaks of Fanaticism, Simple Perfection - Erfullt (Rosemary Beach 6), Callaloo, Calypso & Carnival: The Cuisine of Trinidad and Tobago, About That Fling, A Long Way From Home,
